AWARD

(Passed on this 19th day of July, 2013)

By order dated 16-3-1998, bearing No. IRM/CON/SG/(49)/97/7914 the Government of Goa in exercise of the powers conferred by clause (d) of sub-section 1 of Section 10 of The Industrial Disputes Act, 1947 (for short The Act) has referred the following dispute for adjudication.

“(1). Whether the action of the management of M/s. Adarsh Grakhak Sauntha Ltd., Margao, in refusing to concede the following demands raised by Gomantak Mazdoor Sangh are legal and justified.”

Demand No. (1): Scale of Pay

Union demands that the present scale of pay is very less and hence it should be revised as below:

GRADE	DESIGNATION	SCALE
I	Senior Clerk and equivalent category	950-55-1225-1525-65-1850.
II	Clerks and equivalent category	850-50-1100-55-1375-60-1675.

III Weighman and others equivalent category 800-45-1025-50-1275-55-1550

IV Unskilled category 750-40-950-45-1175-50-1425.

Demand No. (2): Dearness Allowance

Considering the high cost of living in Goa as it is a tourist spot, the present rate of VDA is very low and therefore, Union demands that VDA shall be paid at the revised rate of Rs. 2.60/ per point increase (1960=100) AICPI.

Demand No. (3): Seniority Increment

Union demands that the seniority increments should be given to all the Workmen as the following rate:

- (1) Services rendered upto three years: one increment.
- (2) Services rendered above three years but not completed five years: two increment.
- (3) Completed five years but not completed ten years: three increments.
- (4) Completed ten years and above: four increments.

Demand No. (4): Travelling Allowance

Union demands that the travelling allowance should be paid at the rate of Rs. 100/- per month due to high cost of transport.

Demand No. (5): Uniform

Union demands that two sets of terricoat uniform should be given to each Workman every year.

Demand No. (6): Leave

Union demands that the present leave is very less and the same should be increased as mentioned below:

- (a) Earned Leave: 30 days per year.
- (b) Sick Leave: 18 days per year.
- (c) Casual Leave: 15 days per year.
- (2) If not, to what relief the Workmen are entitled?

2. Upon receipt of the reference, a case was registered under No. IT/21/98 and registered AD notices were issued to both the parties and upon service, Party I filed the claim statement at Exb. 4 and Party II filed the written statement at Exb. 5. Party I then filed the rejoinder at Exb. 8.

3. In the claim statement it is in short the case of Party I that Party II is employing more than 20 Workmen in the shops run by it. The Workmen employed by Party II joined the Party I/Union in the year 1995. Party I/Union considering the low wages paid to the Workmen employed by Party II

submitted the charter of demands and as Party II failed to negotiate, the matter was referred to the Dy. Labour Commissioner but due to refusal of management no settlement could be arrived at and the matter was referred to the Industrial Tribunal. It is stated that the cost of living in Goa is high and the present wages paid to the workers are very low and as such the Workmen are unable to meet the minimum expenses such as food, clothing, medical expenses of the family, education of the children etc. within the existing wage. The Party/Union has therefore submitted the charter of demands on the below mentioned subjects.

Demand No. 1: Scale of pay

Demand No. 2: Flat Rise.

Demand No. 3: Fixed Dearness Allowance.

Demand No. 4: Variable Dearness Allowance.

Demand No. 5: House Rent Allowance.

Demand No. 6: Travelling Allowance.

Demand No. 7: Leave.

Demand No. 8: a) Uniforms.

b) Ashine Allowance.

c) Seniority Investments.

Demand No. 9: Medical Allowance

4. In the written statement Party II has denied the case set up by Party I and has stated that the revenue of Party II depends upon the margin set up by the Government of Goa from time to time. It is stated prior to 1985/86 Party II was engaged in distribution of many other items and commodities and therefore running in profit. It is stated that due to favorable conditions which existed between 1982 and 1985, Party II created some reserve fund and accumulated profits in the reserve fund on which fixed deposit account was opened in bank to earn interest and this today is the sole source of survival of Party II for the last over ten years. It is stated that in the course of time the society named as "Aquem Service Society" was amalgamated with Party II and due to this the number of shops increased from 3 to 6 and all the ration cards held by Aquem Service Society were transferred to Party II alongwith the staff employed with the said society. It is stated that in the further course of time due to availability of the items sold by Party II, in the general shops and in private shops the profit ratio of Party II was affected and hence Party II had to reduce the staff and curtail its business activities. It is stated that due to opening of new fair price shops several hundreds of ration cards held by Party II have been transferred to the newly opened fair price shops. It is stated that Party II is already in loss and its operational loss is presently met from the interest earned on the fixed deposit made out of reserve fund

and therefore Party II is not in a position to handle the financial burden as the employees affected will have to be burdened. It is stated that the Part II's future income and stability is in serious jeopardy. Thus, it is the contention of Party I that it is beyond their ability to bear any further financial burden as demanded or even a portion thereof.

5. Party II has further stated that the demands made by Party I are not justified as they are not in line with industry-cum-region basis. It is stated that demand for flat rise, for fixed dearness allowance, for house rent allowance, for ashine allowance, for seniority allowance and for medical allowance are not covered under the order of reference made in this tribunal and therefore the question of considering such demands, does not arise.

6. It is further the case of Party II that in case the demands made by Party I union are accepted, Party II would be simply driven out of the business thereby closing employment to all its employees. It is stated that all these years there has been no increase in the productivity though Party II has from time to time granted annual increments to all those who have reached the end of the pay scales. It is stated that the wages paid today are more than double the minimum wages prescribed by the Government of Goa and that the principle of wage fixation cannot be what the union submits and in this case it should be based on the capacity of the employer, the impact of the burden involved by the demand, productivity of the Workmen the interest of the economy and the need to keep the industry in existence and not to allow it to be driven out by high cost of operation. Thus, in short, Party II has prayed to reject all the demands in full as the same are wholly unjustified.

7. In the rejoinder Party I has denied the contentions raised by Party II in the written statement.

8. Based on the pleadings of both the parties, issues were framed on 3-5-2001 (Exb. 14).

9. Records reveal that none of the Workmen comprising of Party I Union stepped into the witness box to depose in support of their case, despite giving them various opportunities. Being so, the evidence of Party I was closed vide order in the Roznama dated 21-4-03. Party II also made it clear that they do not wish to lead evidence.

10. I have gone through the records of the case and have duly considered the case advanced by both the parties. I am reproducing herewith the issues along with their findings and reasons thereof.

Sr. No.	Issues	Findings	GRADE	DESIGNATION	SCALE
1.	Whether the Party I /Union proves that the demands raised by it against the Party II are legal and justified?	In the negative.	I	Senior Clerk and equivalent category	-950-55-1225-1525-65-1850.
2.	Whether the Workmen are entitled to any relief?	In the negative.	II	Clerk and equivalent category	-850-50-1100-55-1375-60-1675.

			IV	Unskilled category	-750-40-950-45-1175-50-1425.

Demand No. (2): Dearness Allowance

Presiding Officer,
Industrial Tribunal-
-cum-Labour-Court.

REASONS

11. **Issue Nos. 1 & 2:** I have already pointed out above that Party I union has not lead evidence and therefore they have not proved these issues.

12. In the above context reference is made to the judgment in the case of **Shankar Chakravarthy v/s Brittanica Biscuit Co. Ltd., 1979 (3) SCC 379** in which it is observed that the obligation to lead evidence to establish an allegation made by the Party is on the Party making the allegation and the test would be who would fail if no evidence is lead. Reliance is also placed on the judgment in the case of **Northcote Nursing Home Pvt. Ltd. Bombay and another v/s Zarina H. Rahina (Dr.) (Mrs.) and Anr. 2001 II CLR 155** in which it is observed that it is for Party to lead evidence to prove the positive fact and it is not for the other side to prove the negative fact. Reference is also made to the judgment in the case of **Delta Engineering Co. (P) Ltd., Meerut v/s Industrial Tribunal-V Meerut 1998 LLR 622** in which it is observed that the burden of establishing the fact lies on the Party at whose instance the reference was made.

13. In the light of above settled position of law viz-a-viz the fact situation in the instant case wherein no evidence has been lead by Party I/Union, both these issues deserve to be answered in the negative. Hence my findings.

14. In the result, I pass the following:

ORDER

1. It is hereby held that the action of the management of M/s. Adarsh Grakhak Saunstha Ltd., Margao, in refusing to concede the following demands raised by Gomantak Mazdoor Sangh is legal and justified.

Demand No. (1): Scale Of Pay

Union demands that the present scale of pay is very less and hence it should be revised as below:
